OBJECTIVE

Aspiring and driven software engineering student eager to secure an internship to advance my skills Beginner in Frontend, I am prepared to join your company and contribute effectively with appropriate support and training.

INTERESTS

- Continuous learning through online courses.
- Attend tech meetups and conferences.
- Build personal projects.
- Seeking mentor, trying to apply new technologies.

WORK EXPERIENCE

Amazing Tech Company

8/2024 - 12/2024

Internship - Frontend Web Development

- Design and implemented responsive website layouts.
- Developed and maintained website styling and UI consistency.
- Built and deployed website features and functionalities.
- Managed and integrated reusable components.
- Integrated and consumed APIs for dynamic data handling.
- Utilized Redux for efficient state management.
- Optimized code for performance and scalability.

PROJECTS

Skincare Sales Product System

1/2025 - 4/2025

Frontend

Name of customer: For customers who have facial skin problems and can make an appointment with the staff.

Team size: 6

Technology description:

NextJS, NextJS/TypeScript application with TailwindCSS, Redux, NextAuth.js, Firebase storage, featuring role-based access control and real-time updates, Git.

- Designed and implemented website layouts with a focus on usability and responsiveness.
- Developed dedicated pages for users, staff and administrators.
- Integrated and managed the majority of APIs across user, staff, and admin functionalities.
- Built and maintained reusable, modular components.
- Optimized codebase through components splitting and performance improvements.
- Implemented image storage and management using Firebase.
- Styled the application using ShadCN UI and TailwindCSS for a modern, consistent design.

EDUCATION

2022 - 2025

Software Engineering Major

FPT University

Current GPA: 2.7/4

Expected graduation: 12/2025

SKILLS

Technical Skills

JavaScript, TypeScript, HTML5/CSS.

Frameworks

ReactJS, NextJS, Angular.

Libraries & Tools

Redux, Redux Toolkit, Ant Design, ShadCN UI

Data Storage

MSSQL, MongoDB

CERTIFICATIONS

6/2022

IELTS: 6.5
